Our First Newsletter

Issue 1: August 2010

We hope you enjoy this first issue of our regular customer newsletter. In it, we plan to keep you up to date on the services we offer and provide useful car care tips and tricks. We value your input, so if there is something you would like us to include, please let us know. Plus, if you would prefer to receive your copy via email, just send us your email address.

Keeping It Local

At Epsom Automotive, we are always keen to support our local community. We like to give something back to those who support us. We are family people ourselves, with first hand experience on school and sports club committees. We know that it is not easy to ring and ask for prizes.

We are proud to have supported the hard work done, largely by volunteers, to ensure the success of these clubs, schools and events:

- The Outboard Boating Club's Family Fishing Competition
- Epsom Girls Grammar School
- Cornwall Park District School
- Edendale School
- Remuera Lions
- NZ Police Community Newsletter
- The Radio Network Special Children's Christmas Party
- Rotary Newmarket
- Western Springs AFC
- Grammar Carlton Rugby Football Club
- St Peter's College
- Our Lady of the Sacred Heart (Epsom Parish)
- Epsom Bowling Club
- and Carlton Cornwall Bowls.

If you are involved in a local community group with an upcoming event, let us know and we may be able to offer a small prize to help out. Plus, we could promote the event by featuring it in our next customer newsletter. Email John with the details, or talk to us next time you are in.

Email: John@epsomautomotive.co.nz

Call in and see us for:

- Courtesy cars are available (booking required)

Learn from the Experts

If you have always wished you could do more of your own vehicle maintenance (or if you have got a teenage son/daughter in need of some tips) we would be happy to give a few pointers.

It could be simple things, like changing a wheel with a flat tyre, starting a car using jumper leads, or checking the oil and water.

How much you should attempt yourself comes down to the type of car you own, how much time you have and the tools you have access to. And safety comes first, we won't suggest you tackle anything that could put you at risk, or leave your car unsafe.

If you would like to talk to us about getting some mechanical tips, give us a call and we will work out a suitable time for you to come in.

We look forward to being of service to you soon.

John, Rhett, Julian and Sharon

The Team from Epsom Automotive
