Issue 2: March 2011

Always in our hearts – farewell

John Charles McCullagh (1950–2010)

As many of you know, tragedy struck in October last year, and we lost our dearly loved workshop manager, John McCullagh.

We would like to extend our deepest sympathies to John's family and friends and thank all of our customers for their understanding and patience during this period.

We are a small team and John's wonderful sense of humour and genuine care for people shaped our company culture and customer service philosophy. It has taken us a little while to recover from the shock and we still miss John. However, his legacy remains through our commitment to his customer service philosophy, and our sense of humour is still intact.

Welcome Denis

We are pleased to introduce Denis Paul, who has joined us as Workshop Manager. Denis is a fully qualified mechanic with over 30 years experience. Keeping it in the family, some of you may recall Denis' son Darren who was a mechanic with us for many years and is now working in the Waikato.

We can help you with:

- Warrants of Fitness
- Vehicle Servicing
 - Lube Only or Full Annual Service
- Cambelts
- Batteries
- Tyres, fitting and rotation
- Pre-purchase Inspections

Courtesy cars are available (booking required) or a local drop off can be arranged.

Visit our website www.epsomautomotive.co.nz for full details of all our service inclusions and prices.

BP Forecourt Re-tanking

We have been advised that BP will be re-tanking the forecourt of their service station in front of us sometime in the near future. This will mean there will be a period when getting in to see us may look more difficult. Rest assured we will be open throughout and have been promised that access will not be restricted. Do not hesitate to call and check if you are concerned.

Welcome to Stephen

We would also like to welcome Stephen to our team. English born Stephen joined us as a mechanic in September last year. Stephen has been a mechanic for 20 years and his competence, along with his love for fishing and football make him a welcome addition to the team.

We wish you and your families well and look forward to seeing you soon.

Julian and Sharon*
