Issue 13: Sep 2014

## Complimentary Safety Check

Recent changes to the WOF legislation may mean that you are not required to bring your car in for a check-up as often as before. This concerns us a little, as things can go wrong between Warrant of Fitness checks.

Wheels can go out of alignment causing wear to the inner tyre tread – you may not notice it, but your tyre won't give you the grip it should in the wet. Even modern cars use oil, and it is much better for the engine if you detect that the oil is low before the warning light appears.

### Peace of Mind, It's Free!

As one of our existing customers, between WOF checks (or every 6 months) bring your car in to us and, provided we have a hoist free, we'll pop it up on the hoist and take a quick look while you wait. Back on the ground we'll check your oil, brake and windscreen washer fluid levels and wiper blades, and advise you if anything needs topping up/replacing.

There'll be no charge to you for this service – unless of course something is needed, in which case we'll discuss it with you. It doesn't replace a full service but it's a start!

## Our Services Include:

- NEW - **Complimentary Safety Check** (for Existing Customers only)
- Warrants of Fitness (Cars & Trailers)
- Vehicle Servicing
  - Lube Only or Full Annual Service
- Cambelts
- Batteries / Brake Fluid Flush / Antifreeze
- Auto Transmission Servicing

- AA Smartfuel Savings

Courtesy cars are available (booking required) or a local drop off can be arranged.

**Visit our website [www.epsomautomotive.co.nz](http://www.epsomautomotive.co.nz) for full details of all our service inclusions.**

## Rhett Recommends:

Servicing your car regularly will save you money in the long run, improve performance and ensure your safety. We know life gets busy and you are not always able to stick to a strict schedule, but as a rule of thumb this is what we recommend:

	SERVICE DUE
Cars less than 5 years old	Full Service - Every 15,000km or 12 mths
Cars 5 years and older used on longer trips	Full Service - Every 10,000km or 12 mths
Older cars used for lots of round town driving and short trips	Lube service (oil & filter change plus safety check) Every 5000kms or 6 mths

We hope this information has been of use and we look forward to seeing you soon.

*Rhett, Denis, Corne, Julian and Sharon*

PS: If you received this newsletter in the post and would prefer to save some trees and receive your newsletter via email, drop us a line - [newsletter@epsomautomotive.co.nz](mailto:newsletter@epsomautomotive.co.nz). Plus, don't forget our movie pass referral scheme. If you have referred someone and we haven't sent you any movie passes, please call or email [Rhett@epsomautomotive.co.nz](mailto:Rhett@epsomautomotive.co.nz).
