Movie Passes for You!

We really appreciate it when you refer us to a friend, extended family member or co-worker – and we like to say thanks with Event Cinemas movie passes! It's a long standing tradition that we like to uphold.

And as much as we'd like to just surprise you with them, it's not always easy for us to make the connection – so we do rely on you or your friend to tell us!

If you remember you can do both - remind your friend to mention your name when they book, then drop me an email Rhett@epsomautomotive.co.nz to tip me off. Your movie passes will be on their way to you in a jiffy!

What is our 'Phone Before We Fix' Guarantee?

A bit like the movie passes, this has been part of what we do for so long now that we sometimes forget to explain it to new customers, so here goes...

We surveyed our customers over 10 years ago and found that the biggest gripe they had with mechanic's workshops they had used in the past was unpleasant surprises when they returned to pick up the car. We made a promise not to do the same.

Our Services Include:

- Warrants of Fitness (Cars & Trailers)
- Vehicle Servicing
 - Lube Only or Full Annual Service
- Cambelts
- Batteries / Brake Fluid Flush / Antifreeze
- Auto Transmission Servicing
- Tyres, fitting and rotation
- Pre-purchase Inspections
- Diagnostic Scanning
- AA Smartfuel Savings

Courtesy cars are available (booking required) or a local drop off can be arranged.

Visit our website www.epsomautomotive.co.nz for full details of all our service inclusions.

So, when you drop your car in to us for a WOF, service or repair – we guarantee to phone you once we've diagnosed any fault to discuss the options and the price.

That way you can decide how much work you want us to do and know just what it is going to cost.

We get lots of positive feedback about this and if you also think it is great feel free to review us on nocowboys.co.nz or [google+](https://www.google.com/) which will help others find us too.

So there you have us, Epsom Automotive – your local no surprises, steeped in tradition but using the latest technology, mechanics!
