Issue 7: June 2012

Choosing the Right Service for You

You probably know that we offer both a Lube Service and a Full Service. So, what's the difference? What should you choose and how often?

Every 6 months or 10,000kms your car needs at least a Lube Service. This primarily covers the changing of the engine oil and replacement of the oil filter.

Why? Your vehicle uses oil to lubricate the engine. Over time (and miles), oil breaks down in the engine and can't do the job that it should. It also becomes contaminated by water and dirt, which can harm your engine. A new oil filter means you won't contaminate new oil with old dirt.

What else is covered? We also grease and lube the suspension and carry out a whole raft of safety checks that can flag up any potential issues you should deal with. Check out our new website www.epsomautomotive.co.nz for the full list of inclusions.

Then Annually, you should elect to have a Full Service This means we do everything in the lube service, plus dismantle, inspect, clean and adjust your brakes, reset your handbrake, rotate your tyres (which prolongs their life) and carry out further checks including spark plugs, HT leads and fuel filter. This is just a summary, once again, check our website for the full list of inclusions.

By regularly servicing your car you can not only avoid breakdowns, but also use less fuel. Other areas that will need periodic attention include cambelts, automatic transmission and air-conditioning systems, and we can advise on the requirements for each.

Our Services Include:

- Warrants of Fitness (Cars & Trailers)
- Vehicle Servicing
 - Lube Only or Full Annual Service
- Cambelts
- Batteries
- Tyres, fitting and rotation
- Pre-purchase Inspections
- Diagnostic Scanning

Courtesy cars are available (booking required) or a local drop off can be arranged.

Visit our website www.epsomautomotive.co.nz for full details of all our service inclusions and prices.

Grammar Carlton Remain Unbeaten

At the time of writing, our favourite Rugby Team, Grammar Carlton, remain unbeaten as they approach the end of the Round Robin series. Commenting on a recent win over Pakuranga, Coach Richie Harris said that the team's patience on defence was the cornerstone to the victory. Perhaps servicing your car is a little bit the same! Defending against dirty oil, break pedal travel and worn tyres is your key to remaining unbeaten! Makes it feel a bit more glamorous anyway, doesn't it?

Did You Know?

22nd June 2012 marks 100 years since the passing of Sir John Logan Campbell, the benefactor of Cornwall Park. To honour the occasion floral tributes will be placed at locations throughout our lovely park and on his grave site at the summit of One Tree Hill. For more information visit www.cornwallpark.co.nz.

We look forward to seeing you soon.

Rhett, Denis, Corne,
Julian and Sharon

Don't forget about our movie pass referral scheme. If you have referred someone and we haven't sent you any movie passes, please call or email Rhett@epsomautomotive.co.nz
